Description

Ernst & Young, a global, market leading, professional services firm, with dynamic people in more than 140 countries, is committed to operating with integrity, quality and professionalism in the provision of audit, tax, risk advisory and transaction advisory services. We strive to help all of our people achieve their professional and personal goals through an inclusive environment that values everyone's contributions, appreciates diversity of thought, fosters growth, and provides continuous opportunities for development. Ernst & Young Caribbean, the region's largest seamlessly and fully integrated professional services firm, has offices in Trinidad, Barbados, Jamaica, Curacao, Aruba and St. Maarten. Recognized by organizations such as Fortune, Working Mother, and Training magazine, Ernst & Young continually strives to be a great place to work.

Ernst & Young's Transaction Advisory Services (TAS) practice offers companies professional transaction experience. We help clients determine the right deal to do, and then assist them in doing the deal right.

Within TAS, our Valuation group helps clients understand the value of their business, their securities, intellectual property, capital equipment, intangibles, and other assets. EY Valuation is comprised of several key areas including Business Valuation and Capital Equipment. We currently have a career opportunity for a Valuation Senior Manager.

Responsibilities

Serve as a member of multiple client engagement teams, coordinating valuation engagements for the purpose of: management planning, mergers and acquisitions, financial reporting, tax and regulatory compliance, restructuring and reorganization, and corporate strategy. Identify issues and propose strategies related to the procedures executed. Develop new and creative analyses to prove key assertions across multiple work streams. Assume a leadership role in report generation and detailed financial modeling.

Present findings to the client via reports and presentations. Maintain and develop positive, productive, and professional relationships with client personnel.

Demonstrate teamwork and responsibility with engagement team members, mentor others, stay abreast of current business and economic developments relevant to the client's business, and use current technology and tools to enhance the effectiveness of the Valuation services provided.

To qualify, candidates must have:

- a bachelor's or master's degree in business, finance or accounting with demonstrated aptitude in quantitative and qualitative analysis
- a minimum of 8 years of relevant experience with a venture capital, investment banking, commercial banking, or national valuation firm or experience in the valuation practice of an accounting firm
- an accounting designation i.e. ACCA, CFA, CA, CPA etc.
- ability to manage project expenditures against budget and revenue, and provide the necessary leadership and guidance to team members to ensure the completion of work deliverables
- proven business development, marketing and negotiating techniques with a demonstrated track record of pursuing and closing business opportunities, and the ability to manage engagement risk through reaffirming client satisfaction
- excellent analytical, project-management, communication, interpersonal and teamwork skills

interpersonal and teamwork skills

- strong technical skills including MS Excel, Word and PowerPoint

The successful candidate must be committed to staying at the cutting edge of financial and accounting standards. We're seeking leaders with the ability to quickly anticipate and respond to the issues of a networked and constantly changing global economy. Ernst & Young is committed to diversity and equity.
