Cornerstone Appraisal Services, Inc. is a dynamic, fast-growing company providing loss control inspections and replacement cost appraisals to the insurance industry nationwide.

Cornerstone is a well established, nationwide company with a presence in 43 states, specializing in high value and older homes.

We are currently hiring full time Residential Insurance Appraisers in many areas across the United States. If you want the freedom to work from your home, and the opportunity to have your efforts directly rewarded with each paycheck, we encourage you to contact us for career opportunities.

The position requires travel within a specified territory and a willingness to work as an independent contractor.

Job Requirements:

- Ø four-year college degree (or equivalent work experience)
- Ø experience in construction, residential appraising, property claims (residential), loss control, or a related field position
- Ø strong customer service and computer skills
- Ø self-motivated and ability to work independently
- Ø high speed internet access, and computer
- Ø digital camera

Additional training will be provided.

Cornerstone Appraisal Services recognizes that insurance to value is the cornerstone of profitability for both insurance companies and their agents - so much so that we have based our name on it.

We are dedicated to providing the most accurate replacement cost appraisals in the industry, as well as detailed risk engineering and risk analysis services to the discriminating client. Our nationwide network of appraisal & loss control experts specialize in high value homes, and are among the most experienced in the industry.

Cornerstone's objective is to provide a product with the quality you expect, and the professionalism our clients deserve.
